

Performance Guarantee

Intellidyne[®] guarantees that you will reduce fuel consumption¹ for heating systems or electricity consumption¹ for cooling system compressors by a minimum of 10% in the first full year of operation. If your equipment does not use 10% less energy in the first full year of use, we will refund² the difference between your actual savings and what 10% savings would have been.

Intellidyne Warranty

***IntelliCon[®]** Products carry a limited manufacturer's warranty against operational breakdown or defects in materials or workmanship for 5 years on the original installation. If an **IntelliCon[®]** product fails during normal operation, Intellidyne will replace the product at no charge.*

¹ Consumption data must be normalized for the periods of comparison.

² Refund amount will not exceed the manufacturing "List Price" of the control at the time of sale and the control must be returned to Intellidyne.
